# ROWS OF TIMORASSO COLLI TORTONESI DOC 2015

Intense, bright and clear golden yellow.

Flavourful and persistent nose with pineapple, grapefruit and yellow flowers enhanced by enjoyable mineral overtones.

Full and elegant palate, outstanding balance and intensity unfolding over time.

It pairs brilliantly with Montebore cheese, white meat, home-made pasta dishes and Timorasso rice.

Best served at 12°C. Taste ideally in glasses with a medium-sized bowl.

**Grapes:** Timorasso 100%

**Soils:** calcareous marl.

**Exposure and elevation:** south, 300 meters above sea level

**Organoleptic characteristics:** straw yellow, golden reflections. Intense notes of broom, incense, powdered sugar, candied citrus, sweet spicy puffs (vanilla, lavender, star anise) and balsamic and aromatic touches (thyme, oregano). The mouthfeel is broad, full-bodied, with splendid freshness and a spicy finish. Long and elegant.

**Pairings:** it pairs well with dishes marked by good complexity, from white meats to aged cheeses. Wonderful as a meditation wine.

**Vinification:** Soft pressing of the grapes must ferment in steel at 18 degrees Celsius.

**Aging:** first passage barriques (50%) and tonneaux for 12 months. Rested in the bottle from September 2016.

**The label:** in a limited and numbered edition, it celebrates the vineyard's 30 years of activity.

The 2015 harvest was a great vintage. Among the best vintages of the last 25 years, together with 2007, 2011 and 2017. The seasonal climatic trend was not excessively hot, with little summer rain. This had a positive effect on the grapes, bringing their ripeness to perfect completion, which affected the aromas, polyphenols and longevity of the wines. We therefore expect these two labels to have good shelf life, but also elegance on the nose and balance in the mouth.
